In RE: Friends for Gregory Meeks (C00430991)
Year End Report (10/1/09 to 12/31/09)

Dear Ms. Iovino:

This letter is in response to your Request for Additional Information dated February 18, 2010. You raised concerns about the aggregation of two contributors, namely Capital One Associates Political Fund and the Independent Community Bankers of America PAC.

In the case of Capital One Associates Political Fund, the reported aggregate Election Cycle to Date amount correctly reported. A \$500.00 refund issued to the PAC caused the cycle to date amount to be reported as \$2,500 and not \$3,000.00

Regarding the Independent Community Bankers of America PAC, the PAC gave \$1,000 to Meeks for Congress and \$1,000 to Friends for Meeks. While these two committees are both authorized committees of Congressman Meeks and therefore the aggregate for the PAC is \$2,000, the Committees' software does not support the common aggregation of cycle to date amounts across two affiliated committees.

It is our hope that the above is responsive to your concerns. Please be in touch should you have any additional questions or concerns.

Thank you.

Sincerely,

Patsy A. Simmons
Treasurer
